

OUR STORY

A Crew Born to *Preserve & Elevate* Culture

Founded in 2009, Ethiopiawinet Dance Crew has grown into one of Ethiopia's most celebrated performing arts groups. We are six artists united by a shared mission: to keep the living traditions of our heritage vibrant, visible, and celebrated.

From winning the prestigious Balgeru Idol to performing alongside Ethiopia's most popular singers in music videos, Ethiopiawinet has become a defining voice in East African cultural performance.

Deeply grounded in the rich traditions of Ethiopia and Eritrea — we bring authenticity, precision, and soul to every stage we grace.
